Greensafe International Pte Ltd | 175A Bencoolen Street, #08-11 Burlington Square, Singapore 189650 | [www.greensafe.com.sg](http://www.greensafe.com.sg)

Have your projects led by a team of experienced and highly skilled PMC certified consultants who are Enterprise Singapore (ESG) - recognised for Management Consultants.

**WHY ENGAGE A PRACTISING MANAGEMENT CONSULTANT (PMC)?**

Our certified PMCs go through a rigorous and stringent assessment process by the SPMCC which ensures that they meet multiple qualifying criteria including educational and professional qualification, relevant working experiences, clients' testimonials and even integrity checks.

**ESG funding available for selected projects!**

## OTHER SERVICES

The **Workplace Safety and Health (Risk Management)** Regulations state that employers, self-employed persons and principals (including contractors and sub-contractors) are responsible for identifying safety and health hazards at workplaces.

**bizSAFE level 1 | level 2 | level 3  
level 4 | Level STAR**

The BizSAFE certification allows companies to:

- Tender for Government-Related Projects
- Provide a safe working environment for your employees

### ACCREDITED AUDITING ORGANISATION

We are an auditing firm accredited by Singapore Accreditation Council (SAC), Ministry of Manpower (MOM) and National Environment Agency (NEA) for conducting mandatory and non-mandatory Environmental, Health & Safety (EH&S) Management Systems Audits in Singapore. In addition, we can also conduct audits other non-mandatory EH&S audits as requested by our clients both in Singapore and worldwide. We have pool of competent EH&S Auditors who have more than 20 years of experience in various industries.

- Safety & Health Management Systems Audits (for ALL Sectors)
- NEA Safety Audit for Management of Hazardous Substances
- Risk Management Audits for bizSAFE Recognition / Renewal
- Overtime Exemption Audits (applying OT Exemption from MOM)
- WSH Audit for WSH Awards Submission to WSH Council

We provide **Quality, Environmental, Health & Safety** Management Systems consulting services. We have extensive experience in assisting companies to effectively maintain compliance with all applicable regulations. We provide our clients with convenient, practical, and diverse strategies that reduce liabilities and comply with regulatory requirements at a minimum cost.
